

List of Disclosed Business Supporters

Unitary America prides itself on the greatest amount of transparency possible, and seeks to set a new standard for social welfare organizations. Any business entity that provides in-kind (non-physical) or monetary donations, or otherwise supports the organization in any way, is described herein. Unitary America believes that anyone should be able to see its finances, and that every organization should strive to be as transparent and open as possible. All recorded donations adhere to this format: [Name] (\$ Donation Amount). If the donation amount is not applicable (in the case of in-kind donations/ non-material benefits), in kind will be listed instead. Private individuals are present on a separate list.
