

OUR REVENUE BREAKDOWN

Revenue So Far: \$643.86

Since: September 1, 2025

Until: May 31, 2025

How Do We Categorize Revenue?

Dues: Some of our supporters choose to graciously pay annual supporter dues, at \$60 per year. We net a large portion of our income from supporter dues, and use these to support our mission. Please note that we charged supporter dues of \$55 per person prior to February 2026. We accept cash, check, direct deposit, and credit card to receive these dues. Any non-dues related revenue from a private individual would be listed separately.

Donation Boxes: Donation boxes are hosted by several of our participating business supporters, which collect revenue from generous local givers, community members, and organizers. We collect half the amount present in the donation box every fifteen days. We only accept cash for these boxes. [Also includes \$10 mandatory deposit made on 1/21/26.]

Businesses: Some businesses choose to give us an amount of money to support our mission, help develop our programs, and otherwise help us expand as an organization. All of the disclosed businesses are listed on the List of Disclosed Business Supporters as well to facilitate ease of access. *There are no business supporters before May 31, 2026.* For up-to-date tracking, please see the List of Disclosed Business Supporters.

Extra funding for this group comes from our Leader, Garrett Monette.

LAST UPDATED: 8/19/2026

THIS WILL BE ARCHIVED ON SEPTEMBER 1, 2026.

TRANSPARENCY ABOVE ALL .
